I _____ hereby appoint _____ to be my official agent. I understand that under the NTI Elections Contribution, Expense, and Reporting Rules (Election Rules), my official agent must accept, manage, and report all campaign contributions, record the names of contributors, and report all campaign expenses on my behalf. I understand that I am fully responsible for obeying the Election Rules and for ensuring that my official agent fulfills his or her duties.

4. Accept a contribution of more than \$2,000.00 from any single source;
5. Spend more than \$40,000.00 on my campaign.

I understand that on my behalf my official agent MUST:

6. Deposit all campaign contributions into a bank account registered with the Chief Returning Officer (CRO) or other institution approved by the CRO;
7. Record the dollar amounts of all contributions (and estimate the value of the contribution where a contribution is made in other than money – the gift of a computer for example);
8. Record the names of all individuals who contribute amounts over \$100.00;
9. Ensure that any advertisement indicates that I have sponsored the advertisement;
10. Sign contracts on my behalf for any election-related goods or services;
11. Record expenses and retain receipts for all expenses over \$25.00;
12. Give any surplus contribution funds to the Nunavut Trust or to a registered charity within 60 days of voting day;
13. Within 60 days of voting day, provide the CRO with a report recording all contributions obtained, the names of contributors, and campaign expenses incurred.

I understand that I will not be eligible to run in a Nunavut Tunngavik Inc. election for five years if my official agent fails to comply with the above requirements.
